## DECISION AWARDING DAMAGES<sup>1</sup>

**Dorsey**, Chief Special Master:

On January 31, 2018, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered a left shoulder injury related to vaccine administration ("SIRVA") following the receipt of an influenza ("flu") vaccination administered on October 6, 2016. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On February 1, 2019, a ruling on entitlement was issued, finding petitioner entitled to compensation for SIRVA. On March 12, 2019, respondent filed a proffer on award of compensation ("Proffer") indicating petitioner should be awarded \$53,500.00.

<sup>1</sup> The undersigned intends to post this decision on the United States Court of Federal Claims' website. **This means the decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access. Because this unpublished decision contains a reasoned explanation for the action in this case, undersigned is required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Proffer at 1. In the Proffer, respondent represented that petitioner agrees with the proffered award. *Id.* Based on the record as a whole, the undersigned finds that petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **the undersigned awards petitioner a lump sum payment of \$53,500.00 in the form of a check payable to petitioner, Nga Hong Jones.** This amount represents compensation for all damages that would be available under § 15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.<sup>3</sup>

**IT IS SO ORDERED.**

**RESPONDENT'S PROFFER ON AWARD OF COMPENSATION**

On January 31, 2018, Nga Hong Jones (“petitioner”) filed a petition for vaccine injury compensation alleging that she suffered a left shoulder injury related to vaccine administration (“SIRVA”), a Table injury, following receipt of an influenza (“flu”) vaccination administered on October 6, 2016. Respondent filed his Rule 4(c) Report conceding entitlement to compensation on January 30, 2019. The Chief Special Master issued a Ruling on Entitlement on February 1, 2019.

**I. Items of Compensation**

Based upon the evidence of record, respondent proffers that petitioner should be awarded \$53,500.00 for her past and future pain and suffering. This represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).<sup>1</sup> Petitioner agrees.

---

<sup>1</sup> Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future damages.

**II. Form of the Award**

The parties recommend that the compensation provided to petitioner should be made through a lump sum payment of \$53,500.00 in the form of a check payable to petitioner.<sup>2</sup> Petitioner agrees.
